Volunteers

Our Churchill volunteers keep the school running. If you are not already a registered volunteer, complete the online application at www.chs.lane.edu/volunteers. All first-time Churchill volunteers must complete the online registration, even if they are already registered at another 4J school. Background checks are valid for two years, and will need to be renewed at the end of that time period. Opportunities are available in a wide variety of areas. Let us know what interests you.

Upcoming volunteer opportunities

October 11 Staff Appreciation: You don't need to be a registered volunteer for this one. Just email Debra at lancermom60@yahoo.com and let her know what tasty treat you'd like to bring.

October 19 College and Career Day: We need **15 volunteers** to assist with our College and Career Readiness Day on October 19. Volunteers will assist with monitoring the PSAT or Work Keys testing, working with individual students in Naviance projects and searches, or helping teachers with ninth grade groups who will be rotating through various stations. Volunteers should arrive at 8:20 a.m., and expect to stay until approximately 12:40 p.m.

Please email reents_ji@4j.lane.edu if you are interested in helping with this event.

Volunteer Coordinator: Jill Reents, reents_ji@4j.lane.edu

Parking at Churchill

All parking in Churchill lots is by permit, except in designated visitor spaces. Students must sign a parking contract and purchase a parking pass to park on campus. Fee reductions are available for students who qualify. See the Finance Officer for assistance.

Visitors must request a temporary parking tag for the day when they check in at the front desk.

Parking lot safety

Our parking lot and bus loading zones are very busy before and after school. Here are some common safety concerns to look out for.

- Keep the bus loading zone clear for the buses to get in and out.
- Do not park next to a yellow curb for any length of time.
- Watch for students walking out from between buses and parked cars.
- Talk to your student about looking up and not using their cell phone while walking through the parking lot and loading zone.

Safe Routes to School Community Meeting: October 12

I would like to invite you to an important meeting to discuss your students' safety while commuting to school through the intersection at Bailey Hill and 18th. This intersection is very busy and poses significant risk factors to your students' safety. We would like to share information about how to create an action plan for making this intersection safer with the help and support of the city and 4J Facilities. Please join us on October 12th in the CHS Library from 6:30-8:00pm to learn more about the process and to support the advocacy around this growing safety concern. –Greg Borgerding, Principal.
