- Parent updates:
Butler:
LPA spent time working on ways to increase positive communication
- Make sure there is more communication between student, teachers, parents
- Website might be a good place to start
- Would like Bastmati updated more often
- Is there a safe place for students to voice concerns and remain anonymous
- Need a way to get information to parents/students especially those new to CHS

Student Report:

- Applying for College admission outside Oregon
- It has be very stressful due to the combination of advance classes, sports, and level of workload
- Concerns for IB/AP testing on trimester schedule due to the gap between end of 2nd trimester and test.

Activity (continued from last meeting):

- Continue looking at SIP and where they correspond to the district data achievement goals
- Place our current SIP objectives where you believe they match or contribute to the District goals

District data achievement goals:

- How does it impact student achievement?
- Common thread for everything we do

Accreditation Team coming in February for Site Visit

- They will determine if were are meeting the 8 standards (see handout: NWAC Standards – Essential Questions)
- They will write up report before they leave
- School services → counselors
- Site Council → keep working on standard #8 –Culture of continual improvement
- May have a couple extra Site Council Meeting in Jan and Feb to prepare for the visit
- Kim provided quick explanation of how the process works
- Certifies that we are a high school like other high schools in Oregon
- Londa will provide more info at future meeting

Homework:

- Checking and communicating with your constituents
- Focus on current SIP and talk with others that need to be added
- Are there places that we should addressing (see #8-NWAC Standards)
