Standard #6 – School Services

- Amy + 3 TBD

Standard #7 – Facilities, Finance

Finance clerk, Keith, Julia J.

Standard #8 – Culture of Continual Improvement

Mike, Justine

\*\*\*\*\*part 2\*\*\*\*\*

(I thought the meeting had ended - jumped the gun a bit)

CHS's 4-year graduation rate

For 2010 - 85.5%  
For 2011 - 82.3%  
For 2010 - 69.16%

Why the drop? There are many factors. The Instructional Improvement Team (Site Council sans parents/students) will look at specific students and try determine if, perhaps, some of these students graduated elsewhere, and if not, what happened? Where did they go?

\*\*\*\*\*Correction\*\*\*\*\*

The 69.16% 4-year graduation rate is for 2012, not 2010.  
(Thanks to Scott for gently pointing out my error.)
