

EUGENE IHS COURSE SCHEDULING INFO

Scheduling Info for current IHS 9th, will be 10th:

- Take next level of World Language. *Note: IHS students need 3 years of world language, can be 2 years of one and first of another. Entrance to 4-year college requires 2 years of the same.*
- Take next level of Math. *Note: If you have completed Algebra 2 and you are planning on doing the full IB as an IHS junior you will need to take IB Pre-Calculus in your junior year, so in 10th grade take Contemporary Math or Statistics.*
- Must complete 1 year of Health and 1 year of PE to graduate. *Note: If you didn't pass a trimester of HIS Health then you may need to sign up for a health class.*
- There's a misconception that students can't do one of the other pathways (STEM, Health, Rachel Carsons, etc) and IHS. This is possible. If you are interested sign up for the required classes for your grade level and if there is a scheduling issue someone will let you know.
