Thank You to Our Blood Drive Supporters
A huge thank you goes out to everyone who participated in Churchill’s blood drive on April 19. When we first put out the signup sheets, they filled up instantly. We had 67 willing donors, 60 of which were first time donors. Over 135 patients will benefit from the donations made at Churchill.

Another huge thank you to the Lane Blood Center, and to several local businesses, including Jalisco’s Mexican Restaurant, Papa’s Pizza, and Bigfoot Beverages, who donated food and drinks for our donors. These businesses helped to ensure that our donors (especially our first-time donors) had a positive experience and will hopefully become life-long donors.

We are so excited by how successful this blood drive was, and we look forward to hosting more in the future.

Senior Breakfast
Dear Seniors and Parents/Guardians,

The Senior Class is accepting photos to be put on a slideshow during Senior Breakfast. The photos we are searching for are of Churchill Seniors at any point during their academic careers (Preschool-12th grade). Please email them to the Senior Vice-President, Faith Rousseau, faithscollegebound@gmail.com. JPG. is the preferred format, but any format should work fine. We are accepting them until the end of the day on May 31st. Please have permission of the people in all photos and it would be helpful to send the names of the people in the photos.

Thank you very much,

Faith Rousseau
Senior Class Vice-President

Open your home and heart to an Exchange student

Something extraordinary happens when you share your home and family with a high school student from another country. That’s why thousands of families host students through CHI every year. You can help build bridges of intercultural understanding and enrich your life in many ways by you sharing your home and daily life with a CHI high school exchange student. CHI has led high school student exchange for more than 36 years. Family life, eating meals together, going to the movies, and playing sports makes all the difference for a young visitor studying in the United States. Families of all kinds are needed to host high school students from around the world. CHI staff support families and students during their stay. Host families provide a bed, meals, and guidance. There’s no place like your home. Please contact me today to learn more about becoming a CHI Host family.

CCI Greenheart Student Exchange

Hello. My name is Kristin and I work with CCI Greenheart. We bring high school exchange students to the US and specifically are hoping to bring them to the Eugene/Monroe and surrounding area. I am reaching out to you because we have International Exchange Students that we are looking for loving families to host them. I am hoping you may consider opening your home to one. We accept all kinds of families, children, no children, empty nesters, single parents, and so on. The main requirement is love, kindness and the willingness to learn about your student’s culture while sharing your own. Students are here for 1 or 2 semesters & attend your local highschool. We also have participants that come from anywhere between 2-8 weeks in the summer.

We have a great group of students arriving in Oregon for the 2016-2017 school year. Our students are age 15-18 and have the appropriate visa, medical insurance and their own spending money. We have students from over 60 countries with a variety of interests, talents, and hobbies. It is also an incredible opportunity to make the lifelong dream of an international teen come true, enrich the lives of your family and those in your community, and contribute in a significant way to global peace and understanding.

Please contact me for additional information or with any questions you may have. You may also visit our website for more information at https://www.cci-exchange.com/host-families/long-term-hosting/.
All the Best,
Kristin

**Become a Foster Parent**
There is a critical need for stable, nurturing foster homes in our community. The greatest needs are for families that can take larger sibling groups (3-5 children) so they can stay together, homes for toddlers/preschoolers – not babies, but not in school yet, and homes for teens.

Without safe, loving foster homes in each community, children are forced to change schools and leave friends and familiar surroundings just when they need those things the most.

Not everyone can be a foster family, but some can – if you are interested in more information call: 541-726-6644, ext. 2248 or e-mail: holly.a.steer@state.or.us.

To learn ways your family can support foster families in our community, contact FAAPAlane@gmail.com.
